Membership Renewals

National has started sending out reminders to renew your membership. While the expiration of your 2026 membership is December 31st, we ask you to renew as early as you can. If you renew on July 1st, your current membership is still valid until 12/31 and your 2027 membership will start Jan 1st. We are given monthly membership renewal goals we are required to maintain. By waiting until the end of December to renew, it makes it more difficult for the Post to meet these milestones.

Please consider renewing as soon as possible after you received the notice. – Thank you!
